

MSBA INTERNATIONAL BUSINESS ASSESSMENT PLAN

Mission/Vision Statement

The International Business program at San Diego State University combines training across several functional disciplines to provide a comprehensive background in the skills required for international business success.

Goals & Student Learning Outcomes

- I. To prepare business leaders to recognize new market opportunities in the global marketplace and to equip them with the required knowledge to successfully pursue these opportunities.**

Student Learning Outcomes:

SLO #1.1: Identify and analyze the cost and the market drivers of globalization.

- **Content Delivered in:** FIN 654, MKT 769, MGT 790
- **Assessment Method:** Embedded exam questions, case analyses and projects in required classes.

SLO #1.2: Evaluate the impact that changes in the international economic and financial environments have on international business practices.

- **Content Delivered in:** MGT 710, MKT 769, MGT 790
- **Assessment Method:** Embedded exam questions, case analyses and projects in required classes.

SLO #1.3: Undertake strategic (risk, cost, benefit) assessment of international business environments.

- **Content Delivered in:** MGT 710, MGT 723, MGT 790
- **Assessment Method:** Embedded exam questions, case analyses and projects in required classes.

- II. Develop an understanding of how business functions and processes differ across national environments, acquire the necessary skills to evaluate effective international business practices.**

Student Learning Outcomes:

SLO #2.1: Apply concepts and decision models in organizational behavior, finance, economics, marketing, and production to make internationally-oriented business decisions.

- **Content Delivered in:** MGT 710, MKT 769, MGT 790
- **Assessment Method:** Case analyses and projects in required classes.

SLO #2.2: Compare and contrast the differences in governmental and non-governmental institutional and systems around the world and analyze their impact on international business practices.

- **Content Delivered in:** MGT 710, FIN 654
- **Assessment Method:** Case analyses and projects in required classes.

SLO #2.3: Acquire the knowledge to market products and services internationally.

- **Content Delivered in:** MKT 769, MGT 790

- **Assessment Method:** Case analyses and projects in required classes.
- SLO #2.4:** Compare and contrast effective and innovative managerial practices in cross-cultural and international settings.
 - **Content Delivered in:** MGT 723
 - **Assessment Method:** Case analyses and projects in required classes.

III. Understand cross-cultural concerns of a diverse workforce, consumers, and foreign partners and formulate, communicate and implement international business strategies for exploiting opportunities in the global marketplace.

Student Learning Outcomes:

SLO #3.1: Apply theoretical, conceptual and analytical models to decision making in business contexts.

- **Content Delivered in:** MGT 723, MKT 769, MGT 790
- **Assessment Method:** Case analyses, projects, and embedded exam questions in required classes.

SLO #3.2: Evaluate the benefits and drawbacks of various modes of entry into foreign markets to determine best entry choice.

- **Content Delivered in:** MGT 723, MKT 769
- **Assessment Method:** Case analyses and projects in required classes.

SLO #3.3: Identify similarities and differences between the national and international environment and cultures and analyze the need to modify business strategies to pursue opportunities in new markets.

- **Content Delivered in:** MGT 710, MGT 723, MKT 769
- **Assessment Method:** Case analyses, projects, and embedded exam questions in required classes.
