

SDSU CIBER Faculty Grant Program

SAN DIEGO STATE
UNIVERSITY

Center for International Business
Education and Research (CIBER)*

Under the Higher Education Act, Title VI, Section 612(b), programs and activities supported by CIBERs include:

- (A) **Interdisciplinary programs** which incorporate **foreign language and international studies** training into business, finance, management communications systems, and other professional training for foreign language and international studies training into business, finance, management, communications systems, and other professional curricula;
- (B) **Interdisciplinary programs** which provide **business, finance, management communications systems, and other professional training for foreign language and international studies faculty** and advance degree candidates;
- (C) **Evening or summer programs**, such as intensive language programs, available to members of the business community and other professionals which are designed to develop or enhance their international skills, awareness, and expertise;
- (D) **Collaborative programs**, activities, or research involving other institutions of higher education, local educational agencies, professional associations, businesses, firms, or combinations thereof, to promote the development of international skills, awareness, and expertise among current and prospective members of the business community and other professionals;
- (E) **Research** designed to strengthen and improve the international aspects of business and professional education and to promote integrated curricula; and
- (F) **Research** designed to promote the international competitiveness of American businesses and firms, including those not currently active in international trade.

* SDSU CIBER is funded by a matching grant from the U.S. Department of Education.
