This e-Learning club provides a platform that students can gain hands-on, self-paced learning experience using SAP enterprise application software. Upon completion of the assignments and requirements, students may earn certificates from ESeC and an award from SAP University Alliances. SDSU students from ALL majors are welcomed and there is no membership fee.

More than 250,000 companies run SAP software in over 130 countries. Numerous SAP jobs are available and enterprise systems knowledge is highly desirable in many companies. Join ESeC to find out how you can benefit from learning SAP technologies.

Register online for ESeC and the kick-off meeting by 5pm on Wednesday 9/5/2018. Click on the "JOIN" button or scan the QR code to register. Information about ESeC is available at <https://business.sdsu.edu/enterprisesystems>. For questions, please email cbaeseclub@mail.sdsu.edu.
