Overview

The Master of Business Administration Entrepreneurship Specialization provides an academic curriculum that focuses on preparing students for a future as an entrepreneur. Students will master core theory and concepts of entrepreneurship, the financing of emerging enterprises, and business plan development. Students will also have the opportunity to take additional courses that will allow them to tailor their education to the specific contexts most relevant to their entrepreneurial interests.

MBA Course Requirements

For general MBA program requirements please refer to the Official Program of Study for the Master of Business Administration (MBA).

Entrepreneurship Specialization Description

Entrepreneurship Specialization (12 units): take the THREE required courses and choose ONE additional course.
