On University Row at ICSC

Real Estate Society Fall 2013 Kick-off Mixer

The Fall 2013 semester has officially begun for the Real Estate Society of SDSU!

The Real Estate Society ushered in another year with a uniquely successful Fall Kick-off Mixer. Over fifty students and a dozen professionals from the real estate industry crowded into the historic Scripps Cottage for the mixer. In between networking and noshing at the buffet, the crowd learned about all of the benefits of Society membership as well as the busy events calendar the student leaders have put together. It looks like another year of success confronts the Society!
