**Y. Helio Yang, MIS**

This e-Learning club provides hands-on learning opportunities using enterprise application software by SAP. More than 250,000 companies run SAP software in over 130 countries. On average 40,000 SAP jobs are listed on Indeed.com. Join ESeC to find out how you can benefit from learning SAP technologies. SDSU students from all majors are welcomed. Registration is required even if you have registered before.

Register online for ESeC and the kick-off meeting using the “JOIN” button or the QR code by **5pm on Wednesday 9/6/2017**. Information about ESeC is available at <https://business.sdsu.edu/enterprisesystems>. For questions, please email [cbasesclub@mail.sdsu.edu](mailto:cbasesclub@mail.sdsu.edu).
