OPEN TO ALL  
MAJORS

ESeC is a faculty led e-Learning platform where students can gain enterprise knowledge via hands-on, self-paced case studies using SAP technologies. Upon completion of the assignments and requirements, students may earn certificates from Fowler College of Business and a student recognition award from SAP University Alliances. SDSU students from ALL majors are welcome.

Enterprise systems knowledge is highly valuable for a variety of positions in many companies. Join ESeC to find out how you can benefit from it.
